5.4 School-Generated Content: Any feedback, lesson observations, or reports provided by the School under this Agreement shall not be deemed the intellectual property of the School insofar as they incorporate or reference Blu Foundation's Materials or methodologies. Blu Foundation may use such feedback for program improvement.

5.5 Infringement: The School shall promptly notify Blu Foundation if it becomes aware of any unauthorised use or copying of the Materials by any person inside or outside the School.

Such updates shall be recorded in a signed written addendum to this Agreement.
